Here's what
to do with
your bucket

1

Take the liner and wrap it around the inside of your bucket

2

Use the red rubber band to hold it in place

***KEEP THE RUBBER BAND ON THE BUCKET AT ALL TIMES, EVEN DURING PICKUPS**

3

Set your bucket out by your **FRONT** door the night before your pickup day

***MAKE SURE THE LID IS SECURELY SNAPPED CLOSED BEFORE SETTING OUT**

REMINDER

Pickups will be complete by 8pm

Happy Composting!
